Look for Wild Flowers

All proceeds raised will be for equestrian improvements. Fundraiser!

The Park has enhanced the horse staging area. There is fence that is installed to identify the staging area. In 2015 there were two step-over gates installed at the horse staging area and maintenance yard for easy access to the Park's Horse Trail. Please come and ride. Support your local State Park. Increased attendance by campers, hikers and equestrians help to keep the Park open.

The Support Saddleback Butte effort is spearheaded by PR/MDIA - the Poppy Reserve /Mojave Desert Interpretive Association- a non-profit. Come ride and enjoy your local Park. Donations Welcome!
